## Happy New Year

On behalf of staff and governors, we would like to wish you all a happy, healthy and prosperous new year. The actual day itself seems a long time ago now, even though we have only been back at school for just over a week. It is lovely to have the children back in school again, full of enthusiasm and working hard.

## Governors

You will be receiving paperwork relating to our upcoming elections for Parent Governors. We are really lucky at this school as we have an active governing body who support and challenge us with the work we do. Please have a look at the information being sent out and, if it is something that you would be interested in becoming involved with, consider being a parent governor. If you would like to have more information or a chat about what is involved, I am more than happy to meet with you or contact you by phone.

## School Council

**We are lucky to have a great School Council who really enjoy being proactive and involved with the running of the school and projects in the local community. They have asked me to ask you if you could turn off your engines when waiting outside school. As the children said: 'It is better for the environment and better for our health!' I will let the children know that I have asked you to support them with this.**

One of the issues which comes up regularly at School Council meetings is parking. You will have seen Matt Sheehan helping out for the past two weeks and we are really grateful to him for his support. I am working with the Town Council and Shropshire Council to look at further measures which will improve the safety of the children coming to school and leaving school at the end of the day.

### • Reading

- Supporting your child with reading is the most important thing you can do to help with his or her education.
- In one class, only three children were read with by an adult over the Christmas break.
- Please support your children by listening to them read; talking about books; sharing stories and encouraging an interest in and love of reading. It is so important.
- Staff are always available to suggest ways in which you can support your children with their learning.

### Dates for Your Diary:

14th February—Break up for Half term
