Parents' Evening

It was so nice to see so many of you last week for Parents' Evening. It is always a great opportunity for the children to share their work with you and for the staff who work with the children to talk to you and share information about their progress and learning.

If you were unable to attend for any reason, please contact the office. We are always happy to contact parents and carers by phone if we cannot arrange a mutually convenient time to meet in person.

Visit from Mr Philip Dunne

Mr Dunne MP visited school on Friday 28th February. Unfortunately, his visit coincided with the end of the day so he was unable to meet many of the children, although he did get the chance to meet the Tag Rugby team who will soon be competing against other schools in Shropshire at the Level 3 games in Shrewsbury.

Mr Dunne was very complimentary about the school's recent achievements. He has always been a great supporter of the school and it was very nice to welcome him here.

World Book Day

What a great day we had yesterday! Thank you so much to all of the parents and carers who put such a lot of effort into making and preparing costumes for the children. It was so nice to see so many characters bringing in their books. It was also lovely to see so many of you in the afternoon sharing books with the children.

Reading is a key priority for the further development of the school and the support of parents and carers is so beneficial in helping us to achieve this. Thank you.

COVID-19 (Coronavirus)

- Latest advice from Public Health England and the government is that No school should close in response to a suspected (or confirmed) COVID-19 case unless directed to do so by Public Health England.
- Personal hygiene is the most important way we can stop the spread of infection so please ensure your children know how to wash their hands.
- Soap and water are available at all times in school so there is no need to send in hand gel.
- Please provide your children with paper tissues.

Dates for Your Diary:

Thursday 12th March—
Governor Day

Monday 16th March—STEM
week

Thursday 26th March—Full
Governor's Meeting

Thursday 2nd April—Easter
Disco
