

Coordination is in place to support with shopping/delivery & regular phone contact for those over 70 or with medical need to self-isolate and who have no other shopping arrangements in place.

This includes if their current shopper becomes ill in coming weeks.

Many volunteers are already in place.

If you would like to volunteer or identify someone in need of shopping & delivery or a regular phone call -

Please contact The Town Clerk Matthew Sheehan on:

Cleobury Council Mobile: **07483112290**

Or email: **matthew.sheehan@cleobury.org.uk**

Your contact details will then be passed on to volunteer coordinators.

Remember you can always ask someone to collect medication from the Pharmacy on your behalf.

If you are shopping for someone yourself, please ensure you follow all guidance as set out by Public Health England on the www.gov.uk website.

Everyone can play a key part by making regular phone contact with just one person in isolation.

A working collaboration CM Town Council and the voluntary sector including CoCo & the Pastoral Care Group.
