Dear Parents / carers

I hope the home learning is going well and that you are finding the activities useful on the home learning tabs on each class page on our website. As we mentioned the other day, the Purple Mash website is still adjusting to the high volumes of users so at times it is still crashing. However, they are aware of this and are aiming to resolve the problem as soon as possible and apologise for any inconvenience.

In addition to Purple Mash and the home learning on our website, we thought you might find it helpful to be able to contact your child's class teacher should you have any queries about the home learning. Staff will be looking at emails each day, during work hours 9.00-3.20, unless they are ill or working in school to support the children of critical workers. We will do our best to reply as soon as possible to support you with the home learning. For general enquiries, please use the administration email address.
