Dear Parents and Carers

It has been a very strange week in school. We are continuing to offer childcare for critical workers and have had a small but steady number of children attending over the week.

If any of you have passed school, you will have seen two boxes outside; one is for Food bank donations and the other is for any cards of pictures the children would like to send to those in isolation at the moment.

More information about free school meals vouchers is due with us on Monday.

There is also a rainbow on the door to show that we are still thinking about our children, even though we can't see them at the moment.

Thank you for your patience with us while we try to get to grips with home learning. You will all be receiving emails from the teachers on Monday with a planning grid for the week and a letter explaining how this works. Hopefully you will have managed to get onto Purple Mash. I know it was crashing at the start of the week because of the sheer number of people accessing it. Home learning is as new to us as it is to you, so please bear with us whilst we work to improve what we are offering.

We are still here, so any problems or concerns, please get in touch. We will be phoning our families once a week, just to make sure you are all alright and see if we can help in any way.

Please be safe and well.

With very best wishes

Carmel Mayfield

Dear Children

I hope you are all being ideal citizens at the moment and helping out your mums, dads and carers. It is a very strange time at the minute, but I hope you are all managing to get outside each day and enjoy the lovely sunshine we have been having.

We have closed down most of the school now and are just using Reception classroom and the Hall as well as the playground. It is very quiet here most days, apart from when I can hear everyone singing Happy Birthday to You while they wash their hands.

Have any of you been counting rainbows? Lots of parts of the country are full of rainbow drawings which children can spot while they take a walk or run each day. Are there many in Cleobury? I also hear that there was lots of clapping and cheering last night for all of the NHS workers. Well done if you took part.

Be safe and be well.

Mrs Mayfield
