Testing times

There are now confirmed cases of COVID-19 in the local community. Please read the following information carefully.

When should I go get tested for COVID-19?

Get a test as soon as possible if you have any symptoms of coronavirus.

The symptoms are:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

The test needs to be done in the first 5 days of having symptoms.

You **do not need** to get a test if you have no symptoms or if you have different symptoms.

Children should only self-isolate if a member of their household develops symptoms. If someone else at home is self-isolating, the children can still come to school.

If someone has symptoms and is having a test, children should not come to school until a negative test result is received.

If we have any confirmed cases in school, we will send out letters; one to the close contacts who will need to self-isolate for fourteen days, and one to everyone else who can continue to come to school. It is really important that you are receiving ParentMail as this is the method of communication we will use. If you do not receive ParentMail, let the office know as soon as possible.

Parents' Evening and Reports

Autumn term reports will be sent out via email following the half-term holiday.

We are currently working with a software company to try to get their product to run on the system we have in school with the intention of holding virtual parents' evenings at the beginning of November. In the meantime, if you have any questions or concerns, please contact the class teacher via the office and we will be happy to get in touch with you.

Keep safe and keep well.

Dates for Your Diary:

Friday 23rd October 2020—
