## Parents' Evening

I hope that those of you who wanted an appointment were able to book one using SchoolCloud. Although it is always preferable to have face to face meetings, this seems to be quite popular with those parents who have offered feedback, particularly as more than one parent can now join the same meeting from a different location. We did have a few technical difficulties, but the teachers have been working hard to make sure they have caught up with anyone who wanted an appointment. Thank you for bearing with us; as always, technology is great when it works!

If you were unable to attend parents' evening meetings, please contact the office and we will gladly arrange a time for you to speak to your child's teacher.

## Uniform

From Monday 12th April, we will expect all children to return to school in summer uniform. Children can wear blue gingham dresses/playsuits; grey skirt, trousers or shorts with a pale blue polo shirt and either a royal blue V-neck jumper, cardigan or sweatshirt. Shoes should be suitable for school and, if the children would like to wear sandals, these should not have open toes as they are a trip hazard. Hair needs to be tidy and extreme hairstyles are not allowed. Long hair needs to be tied up. One small, plain pair of stud earrings and a watch are the only jewelry permitted. No make-up or coloured nail polish should be worn.

We have been very lenient with uniform over the past twelve months, but we will now be tightening up expectations as things start to return to normal.

## Lunches

From Monday 12th April, we will be returning to hot lunches. I am sorry it has taken such a long time to sort things out so that we can offer a hot meal service and really pleased that we can now deliver a hot meal at lunchtimes. We will still be observing as much social distancing as possible at lunchtimes, and our priority remains the safety of everyone in school.

Please make sure you order your lunches using Squid. The catering team have requested that you order by noon on the Thursday before the week the children are going to have the meals. Personally, I would order a half term in advance to save having to remember to do it daily or weekly. The menus will be sent out to you shortly.

## Egg-stravaganza

I will be busy decorating my egg this weekend. There are lots of delicious Easter Eggs in the old staff room at the moment, waiting to be distributed to the lucky winners of the egg decorating competition next week, and we are having a special Teams assembly in school to announce the winners on Wednesday. There is a large Smarties egg looking for a new home, and, quite frankly, I am hopeful that my crafting skills will be enough to make sure it comes home with me. Here's hoping!

## Office Opening Hours

The office is open between 8.00 am and 4.00 pm every day.
