Homework set 10/09/2021

Hand in date Wednesday 15/09/2021

This week we have been exploring the different ways to make the ay digraph. We found out that there are 4 main ways to read and write ai: a, ai, ay, a-e and a.

I would like you to find as many different words that contain an "ai" sound when you are reading at home or out and about.

Then sort them into groups.

Challenge

Our word of the week was "fragile"- this means that something can be easily broken or damaged. I would like the children to write a sentence containing this word.

Thank you for your support and have a lovely weekend.

/ai/		
ai	ay	ae, a-e
