Dear Parents and Carers,

I hope you've had a delightful summer and your child is beginning to settle back into the school routine. Here is some information you may like to know about Hedgehog Class:

Timetable and Topics

I have attached the weekly timetable for Hedgehog Class and an overview of this year's curriculum topics for you to view at your pleasure. Please note that depending on school events and celebrations, changes may occur throughout the year. If you have any expertise in any of our topics or know someone who does, please get in contact. It is always wonderful to have volunteers in to share their experiences – this can also be done via video link.

P.E kits

Please ensure your child has their P.E kits (both indoor and outdoor) with them in school. Your child will participate in P.E on Fridays however, there may be times where their kit is needed for other school activities, so it would be appreciated if these could be left in school. Please also be aware that during

P.E, long hair must be tied up and earrings will need to be removed or covered with tape, which will need to be provided.

Homework and reading

Homework will be set throughout the year and will consist of spellings, maths and SPAG activities relating to what the children are learning about in class. Children are also expected to read throughout the week with a continued focus on their phonic knowledge and comprehension skills.

If you would like support with either of these focuses, please get in contact.

Reading display and achievements

If you would like your child's photograph to be on display in our reading area, please email a photograph of them reading somewhere exciting/different to admin@cmpschool.co.uk. This could be anywhere from a tree in the garden; under the duvet at home or even hanging upside down from a climbing frame! Be as creative as you like.

In class, we would like to celebrate your child's successes outside of school. If your child has achieved a certificate, badge or medal (etc), please send them in to share with the class and we will photograph their achievements and celebrate them with the class.

I sincerely hope your child has had a welcoming start to Hedgehog Class and they are looking forward to the year ahead. If you have any questions or concerns regarding your child, please do not hesitate to contact me.

Yours faithfully,

Mrs Mountjoy
