

## Author Visit November 2021

Local author Amanda Humphries, who is an ex-pupil at Cleobury Mortimer Primary School, came to visit today. She met with all the KS1 and KS2 classes to talk about the writing process and what inspired her to be an author. She also introduced her new book called Joe and the Kite and read the first few chapters to the children. Deer Class really enjoyed meeting her and being able to ask her questions about life as an author.
