Back to School

I hope you all had a lovely holiday. We seem to have stepped back into a completely different season and it has been much colder around school this week.

As we have to keep windows open, even when the heating is on, the children are more than welcome to wear a royal blue fleece or hoodie over their uniforms. They might also like to wear some layers under their uniform too. Please also make sure they bring a coat to school with them every day.

Remembrance

School will be taking part in the Remembrance Parade again this year. If you would like your child to walk with Mrs Hector and children from CMPS, or you would like to walk with us yourselves, please be in the Talbot car park at 10.30 on Sunday 14th November. It is nice to see the children in their uniforms on that day, representing the school in the community.

Parents' Evenings

You will have received notifications about the times and dates of Parents' Evenings. We are continuing to use SchoolCloud to do these appointments remotely as it proved very popular with a majority of parents. If you have any problems, please let the office know.

You will receive your child's report (apart from Reception and Nursery parents) this evening.

We are always available to talk to you about your child's progress and how they are getting on in school. Just phone the office or email admin@cmpschool.co.uk and we will be happy to chat.

Covid News

We have a confirmed case of Covid and families of children who are likely to have been close contacts have been contacted to recommend a PCR test.

Please remember that children are often not presenting with typical symptoms. It seems that some children are complaining of headaches and upset stomachs rather than with the typical cough, change in smell and taste and high temperature.

Thank you for your support.

Flu Vaccination

If your child missed the flu vaccination when it was done in school and you would like to have them immunised, you can make an appointment by contacting the immunisation team. Parents can either call on 01743 730028 and leave a message (phone lines are very busy so please leave a message and your call will be returned in 24hours) or email the team on shrop-com.immunisationteam@nhs.net.

Christmas Arrangements

We have been having discussions about how we are going to manage to invite parents to share our Christmas assemblies this year. We do not want to have to cancel anything because of restrictions on numbers, so we have decided to do more, smaller assemblies than usual. They will all take place in the school hall.

We will need to ensure maximum ventilation and make sure we are not overwhelmed with numbers so there will be a strict limit of two tickets per child for each performance. I know that grandparents and other family members like to attend, but we will have to be strict on numbers this year. The good news is that we will record all of the assemblies so that you can access them on line and share them with family and friends.

We will be adding Christmas activities to the list as we get closer to the big day.
