

# Cleobury Mortimer Primary School: Squirrel Class

## Enjoying and Achieving Together

### Links to our Curriculum Drivers

**People and culture** – by focusing how people of Jewish faith live and what they believe about God.

**Social responsibility** – by contributing to discussions around Safer Internet Day and Children’s Mental Health Week.

**Broadening horizons** – by exploring mathematical, musical and technical vocabulary previously unseen.

**Healthy and active** – by participating in dance training for Dance Fest.

### British Value

Tolerance

### Enrichment

Safer Internet Day  
STEM  
Children’s Mental Health Week  
Dance Fest at Tenbury High School

## Curriculum

### Subject Intent

As Writers we will write character descriptions from a story and write shape poems.

As Readers we will read and explore the story of ‘Beegu’ by Alexis Deacon.

As Mathematicians we will develop our understanding of addition by exploring aggregation, using part-part-whole models, bar models and number lines.

As Scientists we will study materials by examining their properties and the uses.

As Geographers we will explore what the weather is like in the UK, focusing on seasons and seasonal changes.

As Designers we will use our knowledge of textiles to design and make a puppet.

As Musicians we will develop our understanding and use of musical vocabulary.

In PE we will focus on dance in preparation for Dance Fest and our footwork when playing ball games.

In RE we will focus on who is Jewish and how people who follow the Jewish faith live.

Spring 1- What is the weather like in the UK?
