

R.S.E Cultural Capital Overview

At Cleobury Mortimer Primary School, we understand the importance of mapping out the essential knowledge that pupils need to be educated citizens, introducing them to the best that has been thought and said, and helping to engender an appreciation of human creativity and achievement. For this reason, the R.S.E that pupils at our school will be exposed to is outlined below. We have chosen the R.S.E education carefully, in order to promote equality and diversity.
