What do Hindus believe that God is like?

I can understand that Hindus believe that Brahma is the Supreme Soul.

I can understand that Brahma has many forms.

I can understand who makes up the Trimurti.

We then learnt that Hindus believe there is one supreme soul called Brahma but that he takes on many different forms which represent the different aspects of his power. The three most important of these are Brahman, Vishnu and Shiva and together they make up the Trimurti.

He carries a lotus flower

four heads

8 eyes.

Brahma

four arms

Vishnu

He carries a weapon, a shell, a lotus flower

He has four arms.

Shiva

He points to his feet.

He has a cobra.

3 eyes

He holds fire and a drum.

He sits on a lotus flower
