Didn't they do well!!!!

The children performed absolutely amazingly during their performances this week. The audiences all seemed to enjoy the presentations and, most importantly, the children did too!

Thank you to all of you who came along. It is always a lovely start to the Christmas season.

Thank you so much for all of your good wishes, cards and gifts. The staff have been overwhelmed with your generosity and I want you to know that we really appreciate your kindness.

On behalf of all of the children, staff and governors, I would like to wish you all a very happy Christmas and a peaceful and prosperous New Year.

• Parking

- I have had lots of conversations about parking this week. Please do not park on or obstruct the yellow markings outside school. They are there for the safety of our children. Please do not park on pavements. Many parents and carers are complaining, quite rightly, that they are having to walk in the road because of thoughtless parking. Please do not block residents driveways. We try to teach the children to be considerate of others and show respect for the community in which they live. I am sure that you fully support this message and will do all that you can to reinforce it with the children at home.
- Parking is a problem, given the location of the school site, and if anyone has any good ideas about how to improve things, I would be really pleased to hear them.
