Chair of Governors - Mr S Auger

17th March 2020

Dear Parents / carers

With the outbreak of the coronavirus, our priority is always ensuring the children are safe and well. Obviously if they are poorly, they won't be able to do any work and their recovery is the main priority. However, if they are off school and well, the children will be able to continue their education at home with support from the adults at home with them. Therefore, we have added some links to the website with ideas to help them with reading and maths. The following link takes you to the learning page. On this page you will find the 'Maths', 'Literacy' and 'Supporting your child at home' tabs which have ideas to help their learning at home.

<http://cmpschool.co.uk/learning>

In addition to the pages mentioned above, each class page now has a section called Home Learning where you can find more activities for the children.

As well as the links on these pages of the website, we will also be adding '2DOs' to their Purple Mash account if school closes. When they log in, they will find the '2Dos' set up and ready to go. They just click on them to take them to the activities set for that week. The children have been given their logins to take home with their username and password. The website they need to type in is also on the login card.

I hope this will all help with the children's home learning.

Kind regards
Mr Dawes
