Dear Parents and Carers

I cannot begin to describe the sense of unreality I think we are all feeling this week. These are very troublesome times and I am so sorry that we will be closing our doors today to so many of our children.

We will be offering childcare from Monday for key workers and vulnerable children, so will be in working to help to do whatever we can to support the country and get things back to normal as soon as possible. I am very grateful to our staff who are ensuring that it is possible for us to make this offer.

There are learning activities on the school website and, from Monday, work on the Purple Mash platform for all classes. We are available for all children being educated at home to support home learning via email. Please use the [admin@cmpschool.co.uk](mailto:admin@cmpschool.co.uk) to contact teachers if you would like any advice or support. I would ask for your understanding and patience if it takes a short while for us to get back to you as teachers will be doing two jobs. They will be working in school as well as monitoring home learning.

To maintain as much social isolation as possible, we do not expect to see any of the children other than those who are with us for childcare during the period of school closure. Please do not let your children come up to school, especially during the school day. The expectation of the government is that children will be kept safe at home with carers and that is our expectation too.

A newsletter will be sent out every week for as long as possible including a message for all of our children who are 'confined to quarters'. We want to keep in touch as much as practically possible.

Mrs Hector has put information on the website about agencies who will be able to offer help and support to families.

Thank you so much for your kind words of support and encouragement. They are really appreciated. Finally I wish you all well and hope that it will not be too long before we are back in school together again, safe and healthy.

With very best wishes

Carmel Mayfield
