Autumn update

Reports

You will be receiving a report for your child today via email. Please let us know if this doesn't reach you. You will also be receiving a paper copy of your child's attendance report. If you have any concerns about your child's attendance, please contact the office.

We are trialling an online system for Parent/Carer Meetings. Mr Dawes is sending out a letter with details of how to book an appointment. Please be patient with us, as it is the first time we have tried to use this system, so be prepared for IT disaster! If you want to speak to any of us at any time, just phone or email the office and they will arrange this for you.

Building works

The school is looking somewhat different at the moment with the arrival on site of the contractors who are replacing the roof and the heating boiler. Thank you for your patience as the site has become a little less easy to navigate with the additional builders' compounds. I am also grateful to staff who have lost most of the car park as a result of the building.

The project is due to be completed by February half term.

We are working with Shropshire Local Authority to develop the former kitchen as an SEND hub. I will provide more information for you about this as the project develops.

Christmas

As we are not able to put on our usual Christmas performances this year, we are working hard to prepare some online celebrations to share with our families. More details to follow.

Friends

Thank you to the Friends who organized a brilliant Scarecrow and Pumpkin trail around the town. It was very well received by the wider community as well as all of our families who took part.

Friends are planning to use their profits to provide a movie and snack celebration in school for the children. They are also organizing a Christmas Jumper day before Christmas to raise further funds. Thank you and well done to Friends.

As you will all know, we remain open and fully functioning during the current lockdown. So far, I have not heard of any changes we need to make, but will keep you informed. Keep safe and well.

Dates for Your Diary:

Tuesday 22nd December—
end of term

Monday 11th January—Start
of term

Due to COVID-19, we are
not planning to invite parents
and carers into school for
events at the moment.

Stars of the week!
