---

I cannot believe that we only have six more weeks in school before the summer holiday and the start of a new school year. This year has positively flown by so far, and the past couple of weeks in school have been extremely busy. They are forecasting good weather for next week, and I am sure you could all do with a bit of sunshine. Have a great week!

## **Walk to School Week**

Thank you for supporting this. It was lovely to see families who have to drive from quite long distances making the effort to park away from school so that the children could get their stickers for walking. It was interesting to note the difference it made to traffic congestion outside the front of the school as well which helps with our immediate environment.

## **Locality Week**

The children have been dodging the showers and getting out and about in the local area over the past week or so. They have visited lots of different areas of the town, and it has been lovely to be able to take them to parts of their locality some of them haven't visited before. Mrs Collier is busy preparing a presentation about the work we have done during Locality Week and this is going to be posted on the website so you can see what we have been up to. As well as looking at different geographical and historic features of their home town, we have had a visit from Mr Robert Hodge who has talked to all classes about local history. Cleobury Mortimer certainly does have a lot to offer and it is really good to be educating the children about their home town.

## **Transition Day**

I am currently organizing classes for next academic year. Each year we have a transition day when the children visit their new classroom and spend time with their new teacher for September. This year, transition day will be on Tuesday 6th July. This is the day that current Year 6 spend time at Lacon so we have space and staff to visit new classes.

## **Sports Day**

As the likelihood of being able to have a large gathering is so uncertain, we are going ahead with sports day in a different format this year so that the children do not miss out on the fun of competition. We will be sharing news and pictures with you on the website. Fingers crossed we will be back to a normal sports day next year.

## **Office Opening Hours**

The office is open between **8.00 am and 4.00 pm** every day. If you need to contact us outside these times, please email [admin@cmpschool.co.uk](mailto:admin@cmpschool.co.uk).
