In School this week:

Hello everyone,

I hope you are well and enjoying the lovely weather—what a difference it makes to have the sun shining! In my last Friday Flyer, I explained that it is our aim to strive for academic excellence but that we are equally passionate about developing each child's character and core values and ensuring all children have a chance to shine. I am thrilled that this week, I am able to share examples of pupils enjoying both sport and music events.

TagFest

I would like to start by sharing some great news! On Tuesday 23rd May, Mr Boyd and Mrs Barr took 10 pupils to represent our school in the Tag Fest competition, run by Luctonians Rugby Club. This is a large scale event and is entered by a large number of schools from across Herefordshire, Worcestershire and South Shropshire. I am delighted to share with you that we won the tournament - playing seven games and winning all of them. The final turned out to be a local derby, where we played Clee Hill school and won 6 - 5 in a very exciting and hard fought game. Mr Boyd returned to school full of praise for how well the children had played and how they had represented our school. He told me that 'the children were phenomenal!' Having spoken to some of the children who were involved, I know that the pupils really enjoyed the opportunity to play in the tournament and were thrilled to come home with the trophy. Well done to all involved!

Stompers

On Saturday, the pupils who attend the 'Cleobury Stompers' group on a Tuesday after school at Lacon Childe joined with four other 'Stompers' groups from all over Shropshire to perform a concert at Meole Brace School in Shrewsbury. The ensemble group comprised of a wide variety of instruments including cornets, ukeleles, dudes, whistles, violins, a double bass and drums! The children played to a very large audience of parents who enjoyed their version of 'We Will Rock You' amongst other performance pieces. I am told by Mrs Giles that the sound produced was incredible! I would like to take this opportunity to thank Mr Martin (and Mr Craig from Lacon Childe) for giving up their Saturday and supporting the children to take part in this event.

Early Years Playground Improvements

In the previous Friday Flyer, I shared with you that we had plans for a 'big' project to revamp our Early Years outside space. I am really excited to let you know that we have made our final design choices and the work has been scheduled to take place over the last week of term (wk beginning 24th July). We are thrilled as know it will make such a difference to our provision for the nursery and reception children. Have a wonderful half term - let's hope the lovely weather lasts!

Mrs Desborough

Tries against 22

CLEOBURY STOMPERS: PERFORMANCE

Cleobury Mortimer joined with four other 'Stompers' groups from all over Shropshire to perform a concert at Meole Brace School in Shrewsbury.

NOTICES AND REMINDERS

Water Bottles

As the weather gets warmer please ensure you send your child to school with a reusable water bottle so that they can stay hydrated. **Please note, PRIME bottles are NOT allowed in school** (even if they are filled with water).

Thank you for your support with this.

Use of School Toilets (after school)

We are seeing an increasing number of requests to use the school toilets, outside of school hours (often by families using the play park next door). After school, the building and toilets are cleaned in preparation for the next day and therefore this isn't a service that we are able to provide.

Breakfast Club and Wraparound Child Care

(Advance Warning of a September Price Increase)

Please note that all of the 'wraparound' childcare services we offer will be charged at £4.40 an hour from September. This is a Trust wide charging policy and applies to all schools in the Shropshire Gateway Educational Trust. The price rise is to ensure that we are able to cover all costs involved in providing wraparound childcare for working parents, including staffing ratios and snacks.
