## In School:

We have reached the end of another busy half term and I can't believe that the Easter holidays are here already!

### Staffing Updates

Sadly, today is the last day in school for Mr Dawes. In assembly this morning he shared some of his favourite memories with us all, which included lots of pictures of school events and many residential over the years! Mr Dawes is very highly thought of by pupils, parents, and staff and has always worked hard to achieve the best possible outcomes for the pupils in his care. He will be missed by our whole school community, but he has promised to come back and visit us. He leaves with our very best wishes and we hope this is just 'au revoir' rather than good bye.

It has been very busy in school over the last two weeks, as we have been through a very rigorous interview process to recruit a new Deputy Headteacher. After attracting a high number of strong applicants, I am very pleased to announce that Mrs Jenny Bates has been appointed and will start her new role in September. Mrs Bates has asked me to share the following message with you all:

*'I am very excited to be joining Cleobury Mortimer Primary School as the deputy head. I am currently assistant head at a school in Wolverhampton, but live locally with my husband, daughter and 2 dogs! Cleobury Primary has a wonderful reputation as a warm, friendly and inclusive school and I look forward to getting to know you all during my visits in the Summer Term and when I take up my post in September.'*

### Giant Easter Egg Raffle

We also held the raffle in this morning's assembly for the giant Easter Egg. The children (and some staff!) all had their fingers crossed as we drew out the winning ticket which belonged to Amelia and Ary. I would like to take this opportunity to say a big 'thank you' to Mrs Murrell for donating the egg for the raffle. All proceeds have gone to the FRIENDS and will be used to support school activities.

### Dogs on School Site

Finally, just a reminder that no dogs should be brought onto school premises—even if they are being carried. This is because we have a child with an allergy to dogs. We need to do our best to ensure that we limit the possibility of contact for this pupil, as far as possible. Thank you in advance for your co-operation.

Enjoy the Easter break and I hope you enjoy the family time.

Mrs Desborough
