Curriculum

Subject Intent

As Writers we will develop our skills in fantasy writing focusing on setting descriptions using 'Varjak Paw' for inspiration.

As Readers we will read and appreciate The Wolves of Willoughby Chase.

As Mathematicians we will develop our understanding of decimals and percentages as well as fractions. We will also be learning about position and direction.

As Scientists Kestrel class will be chemists, investigating mixtures and reactions, looking at how different substances behave.

As Geologists we will answering the question: why do oceans matter?

As DT we will be exploring the structure of bridges and applying the technical skills to build our own!

As Musicians we will continue to develop our performance and composition skills via our violin lessons.

In PE we will focus on developing our dance skills and also our running skills.

In RE we will focus on the question 'Why is the Torah so important to Jewish people?'

In French we will be learning about the French speaking world, using language of place and direction.

In PSHE we will focus on a unit called citizenship.

Spring 2
