

The Flyer

Headteacher: Mrs S Desborough

Chair of Governors: Mr J Payton

Friday 15th November, 2024

Contact us: 01299 270313 admin@cmpschool.co.uk

In School:

The children were all looking 'spotacular' today in school, as we joined in with the nation to raise money for Children in Need. If your child came to school in their own clothes today, we would like to invite you to make a donation via our Just Giving page <https://www.justgiving.com/page/cmps-bbc-children-in-need?newPage=true>. We have set a target of £250 and we know that any money we raise will help the charity to support children and young people across the UK.

Remembrance Parade

On Sunday, members of our school community represented Cleobury Mortimer Primary School at the Remembrance Parade. Pupils from our School Council and choir marched through Cleobury with other local organisations and then took part in the church service. I know that both Mrs Bates and Mrs Hector were extremely proud of all of our pupils and that the event was a poignant opportunity for the town to come together and remember.

Lockdown / School field

On Tuesday the 12th November we received a phone call asking us to 'lockdown' due to an incident on Love Lane. I would like to take this opportunity to thank the staff for their calm and collected response to this situation. Due to their professionalism, the children were unaware of the incident.

This event really brought home the importance of having a secure school site. We are still undertaking the consultation process with the local community regarding the need to fence the school field. We would really appreciate as many responses as possible from members of the local community. On the back of The Flyer, I have included two QR codes, one that will link to the full proposal document, should you wish to read it, and one to the 'Forms' document where we are recording feedback. If you would like to discuss the proposal in person (or know someone who would like further information) **we will be at Cleobury Farmers Market tomorrow morning from 9:30am onwards.**

Y6 Prefects

Finally, I would like to finish with some good news! Following an application process, which involved pupils writing a letter to myself and Mrs Bates, we have named our new school Prefects. Well done to Year 6 pupils Charlie, Priya S, Darcey and Lacey. I know you will be super role models and excellent ambassadors for our school.

Have a good weekend

Mrs Desborough

Dates for your Diary:

- 18.11.24 – School photographs
- 19.11.24 – Badger class street dance with GKY
- 20.11.24 – Bags to School
- 21.11.24 – Hub Forum and Stay & Play session – 2-3pm

OUTDOOR LEARNING

A GATEWAY TO ADVENTURE

As a school, we need to access a **safe and secure space** for PE, physical activity and sport to support pupils' physical health and wellbeing.

With a safe space to learn outside, we will also be able to introduce regular use of the outdoors into the curriculum, harnessing all of its research-backed benefits.

Whether this is muddy Monday phonics, adding and subtracting using leaves, or investigating the pH of soil using litmus tests, access to the outdoors will enrich our children's learning and teach them lessons for life.

HIGHLIGHTED BENEFITS:

- Safe and secure space for PE and physical activity
- Mental health and wellbeing
- Physical development
- Inclusive learning
- Enjoyment and engagement

With a safe environment we can take the curriculum outside...
