In School:

It is hard to believe that we are already halfway through the school year! It has continued to be busy in school, with staff facilitating lots of learning opportunities, trips and experiences for the children. Last week, the children took part in STEM activities around the theme of 'winter'. I have included some photos on the reverse of The Flyer. This week, we have taken part in both Children's Mental Health Week and National Storytelling Week. Each class has been contributing to a whole school story. The story has been completed today and Mrs. Bates will share it on Dojo next week.

Parking

I would like to give a big 'thank you' to all parents and carers for your understanding and cooperation in adhering to the new parking arrangements at the front of school. We understand that parking near to school is problematic but inappropriate parking makes the area unsafe. Unfortunately there was an incident this morning where a car reversed into one of our pupils at the junction close to school. Thankfully, the child wasn't hurt but this serves as a reminder of why it is so important to park with care and be aware of the safety of pedestrians. To ease parking pressure, I would urge all families who live close to school to walk whenever possible. If you live further away and need to drive, please remember that there are free public car parks close by. Parents can park in these and walk the short distance to school.

Sporting Success

Our school has a strong history of participation in a wide range of sporting events. Next week, pupils from Badger and Cub classes will be going to the Regal in Tenbury to perform the dance they have been creating during their DanceFest sessions. 25 pupils in KS2 will be going to Bedstone College to take part in their cross-county event. This week, we entered a Tag Rugby competition which we won and therefore qualified for the next round. Today, our Dodgeball team travelled to Telford for the Dodgeball final—I am sure they will have had a wonderful time and done their best.

Parents Evening

A reminder that next week we are holding our spring term parents' evenings on Wednesday 12th February and Thursday 13th February. If you have not yet made an appointment, these are bookable on Arbor. We would encourage all parents to make an appointment as this is a valuable opportunity to discuss your child's progress with their class teacher. In order to support parents to attend, we will once again have a 'creche' facility based in Fox Class. Please note that we are only able to look after pupils who attend our school (including our nursery). If you have younger children, we request that you make alternative arrangements or keep them with you in the hall. After-school clubs will be running as usual.

Mrs Desborough

Dates for your Diary:
