## In School:

We have had lots of fun in school today, whilst raising money for Comic Relief. School Council decided that they would like the pupils to wear red and have a 40 minute party this afternoon. This linked beautifully with the theme this year of 'joining the party' as Comic Relief celebrates it's 40th birthday. In honour of this, we had an energetic start to the day in assembly dancing to the 1985 hit 'Wake Me Up Before You Go-Go'! It turns out lots of the staff and pupils have some really good moves! Please remember it isn't too late to donate via our 'Just Giving' page:

### Poetry Slam

Yesterday evening, KS2 pupils went to Lacon and took part in the Poetry Slam event. We had so much interest from pupils wanting to take part that we had to hold auditions in school. Following this, the selected pupils chose (or even wrote) a poem that they then performed at the event. They all performed with confidence and flair and we couldn't be prouder of their achievements.

### The Big Clean

You will be aware that as a school we are taking part in The Great British Spring Clean. This is part of Keep Britain Tidy's annual national clean-up campaign. As a school, we have pledged to collect seven bags of litter from around school and in the local community. This will take place next week and further information has been shared on Dojo.

### Book Fayre Success

I am pleased to report that the Book Fayre was a huge success. As we sold so many books (and therefore gained school credits), we have been able to order 7 dictionaries and 7 thesauruses for each class in KS2 at no cost. These will be extremely useful and will be well used by the pupils.

### End of Term Interim Reports

We will once again be sending home an 'interim' report to parents and carers in the last week of term. This will be in the same format as the one sent at Christmas and will provide a snapshot of your child's progress and attainment. The full written report will be sent in the summer term.

### SEND Hub Building Work

The work to improve our SEND Hub (Owl Class) will be starting shortly with the installation of a new fence at the front of school, a canopy at the side entrance to the Hub and a new playground. This work is fully funded by Shropshire Council and should be completed by the end of the summer holidays.

I hope you have a wonderful weekend

Mrs Desborough.
