

MENU

Below is Cub Class homework menu for Autumn 1 (2025).

Thank you for your support.

Compulsory Elements

Daily reading at home with your child. Include listening to your child read and reading a story with your child. Please talk to your child about their book and ask them questions to prompt their understanding of the text:

- Who are the main characters?
 - Where is the story set?
- What do you think might happen next?
 - Why do you predict this?

10 minutes per-week on revisiting number facts using the website 'Hit the Button'- <https://www.topmarks.co.uk/maths-games/hit-the-button> . For those children who do not have access to the internet, they will have the opportunity to revisit number facts in class. Alternatively, revisiting counting and sequencing numbers to 50 will be of benefit.

Optional Extra

I would like to provide the additional opportunity of completing a half term project based on 'Hot or Cold Places'. This could include research, artwork or writing a comparison about what different hot or cold countries or continents are like around the world.

Projects to be completed and handed in week commencing Monday 29th September.
