

MENU

Below is Cub Class homework menu for Autumn 2 (2025).

Thank you for your support.

Compulsory Elements

Please listen to your child read daily covering a range of text types including fiction and non-fiction. It would benefit your child if they could talk about the texts that they have read.

10 minutes per-week on revisiting number facts using the website 'Hit the Button'- <https://www.topmarks.co.uk/maths-games/hit-the-button> . For those children who do not have access to the internet, they will have the opportunity to revisit number facts in class.

Optional Extra

I would like to provide the additional opportunity of completing a half term project based on 'Schools in the Past'. This could include research, artwork or writing a comparison about what schools used to be like compared to now. We will be looking at timelines, sources and artefacts to support our understanding of the changes in schools over time.

Projects to be completed and handed in week commencing Monday 17th November 2024.

This half term we are also learning the harder to read the common exception words:

Because
Most
People
Said
Little
Called
Looked

These are some of the words that the children need to know by the end of Year 2.
