

# Cleobury Mortimer Primary School: Rabbit Class

Enjoying and Achieving Together

## Links to our Curriculum Drivers

We are learning how kindness helps our minds stay healthy. During World Mental Health Week, we will explore how being kind to ourselves and others makes school a happier place.

## British Value

Tolerance

## Enrichment

Mental Health Awareness Week

## Curriculum

## Subject Intent

As Writers, we will explore how to create exciting cliff-hanger endings.

As Readers, we will enjoy studying a range of science fiction novels, including The Iron Man by Ted Hughes.

As Mathematicians, we will continue exploring fractions.

As Scientists, we will learn about plant reproduction.

As Geographers, we will study different types of settlements.

As Artists, we will look at sculptures and abstract shapes.

As Musicians, we will study the Vikings and develop singing techniques.

As Computer Technicians, we will explore simulations.

In PE, we will play tennis and develop our knowledge of athletics.

In RE, we will learn about the kind of world Jesus wanted.

In French, we will learn about French classrooms.

In PSHE / RSE, we will study citizenship.

Summer 1 – Are all settlements the same?
