

# MENU

---

Below is Cub Class homework menu for Summer 2 (2026)

Thank you for your support.

## Compulsory Elements

Please listen to your child read daily covering a range of text types including fiction and non-fiction. It would benefit your child if they could talk about the texts that they have read to develop their comprehension and understanding.

10 minutes per-week on learning how to tell the time to the nearest 5 minutes using a digital and analogue clock.

## Optional Extra

I would like to provide the additional opportunity of completing a half term project based on 'Monarchs'. This could include research, artwork or writing a comparison about a Monarch that the children find interesting. It could also be a focus on a castle or palace that they have visited.

Projects to be completed and handed in week commencing Monday 22<sup>nd</sup> June.

I know that some parents have also shown an interest in developing their child's confidence when completing termly assessments.

Here is a link to assessment style questions and revision for Year 2 -
