

Cleobury Mortimer Primary School: Rabbit Class

Enjoying and Achieving Together

Links to our Curriculum Drivers

Courage is shown when pupils step outside their comfort zone and try something that feels new or challenging. Whether performing in the Summer Concert or taking part in Sports Day, they show bravery by standing in front of others, giving their best effort, and continuing even when they feel nervous.

Hard work shines through in every learning opportunity. During the Financial Literacy Workshop and on a Library Visit, pupils show determination by focusing, practising new skills, and challenging themselves to improve. Their effort and perseverance help them grow in confidence and capability.

British Value

Consolidation of prior learning.

Curriculum

Subject Intent

As Writers, we will consolidate our knowledge and apply our growing skills across a range of writing tasks.

As Readers, we will enjoy a selection of well-loved stories, including The Gruffalo, The Tiger Who Came to Tea, and Dear Zoo.

As Mathematicians, we will explore money and develop confidence with short division.

As Scientists, we will begin making scientific connections.
Our learning question will be: Does hand span affect grip strength?

As Historians, we will study the fascinating world of the ancient Egyptians.

As Crafters, we will explore textiles, focusing on cross-stitch and appliqué techniques.

As Musicians, we will examine the style, rhythm, and history of jazz.

As Computer Technicians, we will study graphing and how data can be represented digitally.

In PE, we will explore weather as a theme in gymnastics.

In RE, we will learn about why people try to make the world a better place, exploring perspectives from Christians, Muslims, and non-religious people.

In French, we will consolidate our previous learning and strengthen core vocabulary.

In PSHE / RSE, we will research and discuss economic wellbeing.

Summer 2 – What did the ancient Egyptians believe?
