

# Cleobury Mortimer Primary School: Hare Class – Year 4

## Enjoying and Achieving Together

### Links to our Curriculum Drivers

**Successful Learners:** Using regular opportunities for movement breaks and mindfulness sessions to allow children to improve their memory and have better concentration.

**Responsible Citizens:** How we can help to reduce the effect of climate change.

**Safe and Nurtured:** Assemblies will ensure that the children feel safe in school, and they will know what to do should they feel worried. Our PSHE unit on health and well being will also give the children different strategies to stay safe.

**Healthy and Active:** In addition to regular P.E. lessons, some children will be participating in sporting events.

**People and culture-**We will be thinking of others as we learn about different religions. Broadening Horizons: Learning how to speak French.

**British Value...  
Consolidation of prior  
learning**

### Enrichment

Financial literacy week

Library Visit

Sports Day

KS2 summer concert

## Summer 2

## Curriculum

### Subject Intent

As Writers we will be

As Readers we will be

As mathematicians we will continue to strengthen our multiplication and division facts while also exploring key areas of geometry, including area and perimeter. We will deepen our understanding of fractions and begin working with statistics to interpret and present data with confidence.

As Scientists we will be exploring how to respect and care for our environment, learning practical ways to protect our planet and make thoughtful, sustainable choices.

As geographers we will be exploring rivers, learning how they form, how they flow, and why they are such important features of our world.

In DT we will be learning about healthy eating and exploring how to adapt recipes to make them nutritious, balanced, and delicious.

As Musicians we will be practicing for the Charter Service ready for September.

In PE we will be learning how to play tennis and developing our athletic skills ready for sports day.

In RE we will be exploring the significant events that shape people's lives, considering how different faiths and cultures mark and celebrate these important moments.

In PSHE we will continue to explore economic wellbeing.

In Computing we will be exploring search engines.

In French we will be learning about French songs.
