

Cleobury Mortimer Primary School: Badger Class

Enjoying and Achieving Together

Links to our Curriculum Drivers

Included and Respected – By learning about what others do to look after the world and others and applying this to our own lives doing RE sessions.

Achieving Potential – Taking part in a Sports Day, which we have been training for to demonstrate our skills to our grown-ups.

Broadening Horizons – By learning about the achievements of others and thinking about how this can inspire us in our own lives.

Responsible Citizens – Through learning about economic wellbeing and how people may look after their money during Money Matters Week.

Explorer Visit

Curriculum

Subject Intent

As Writers we will explore sentence structure and how to write chronologically.

As Readers we will read and appreciate the stories such as We're Going on a Bear Hunt, Sulwe and The Garden of Hope.

As Mathematicians we will explore place value of two-digit numbers, coins and unitisation.

As Scientists we will investigate and discover the achievements of different inventors and scientists.

As Historians we will understand how explorers have changed the world, focusing on the achievements of Dame Ellen MacArthur, Matthew Henson, Mary Kingsley and Christopher Columbus.

As Design Technologists we will design and create puppets.

As Musicians we will focus on how we can use our voices and bodies to make music.

In PE we will participate in team building activities and develop our athletic skills.

In RE we will answer the question 'How should we care for the world and for others and why does it matter?'

In PSHE we will learn about economic wellbeing and what this means.

Summer 2 – How have explorers changed the world?
