Year 2 Cubs Class - Autumn 1

5 dojos for a completed project and home reading all half term!

Daily reading	at least four times a week
Everyday maths	Revisit number bonds to 10 and 20, and practise adding and subtracting one from any number. Play dice, card or number games to develop quick recall of number facts.
Phonics	Revisit and apply the phonics sounds taught in Reception and Year 1. Practise reading, spelling and using our Year 2 spelling words and common exception words.
Writing	Practise spelling year 2 harder to read and write words

Project – Amazing Animals and Their Homes

Choose and complete at least one of the projects listed below:

Go on a habitat hunt in your local area and draw or photograph any plants and animals you find in their habitats. Explain how the habitat helps them survive.

Create a fact file about an animal of your choice. Include its habitat, diet and how it finds food and shelter.

Draw and label a woodland, ocean or rainforest habitat. Include some of the plants and animals that live there.

Project Deadline:
Wednesday 21st
October.

Draw and design a home for an animal. Label the food, water and shelter it would need to survive.

Interview a family member about a favourite animal. Find out where it lives, what it eats and why they like it. Present your findings in any way you choose.

Make a model of a habitat using recycled materials. Include living things that belong there and labels explaining their role in the habitat.
