Rabbit Class

Enjoying and Achieving Together

Links to our Curriculum Drivers

Ambition – Setting our sights high as we begin our journey into KS2, we will understand how to be good learners.

Integrity – Exploring the British Value of Mutual Respect and focusing on respect in relationships during RSE.

Creativity – Exploring different ways of demonstrating our learning in all subjects.

British Value

Mutual Respect

Enrichment

Black History Month

Harvest Festival

STEM Week

Operation Christmas Child

Autumn 1 – The World Around Us

Curriculum

Subject Intent

As Writers, we will investigate narrative with a focus on traditional tales. In this unit, we will create our own unexpected endings.

As Readers, we will explore the vocabulary of fairy stories and how we can use this to create emotions in the reader.

As Mathematicians, we will review strategies for adding and subtracting across 10, explore place value to 100, and apply our knowledge to addition and subtraction.

As Scientists, we will learn about and investigate animals and nutrition.

As Geographers, we will examine and explore volcanoes.

As Artists, we will focus on drawing and seek inspiration from other creators.

As Musicians, we will be learning to play a musical instrument with Mrs. Giles from the Shropshire Music Service.

In PE, we will be taking part in invasion games and gymnastics lessons (Symmetry and Asymmetry).

In RE, we will learn about the creation story and investigate what it is like for someone to follow God (Christianity).

In French, we will introduce the children to Modern Foreign Languages (MFL).

In PSHE / RSE, we will draft a class charter for upcoming lessons.
