

MENU

Below is our homework menu for Autumn 1 (2026-2027).

Compulsory Elements

- ✓ At least ten minutes of reading four times a week. This should be recorded in your child's reading record.
- ✓ A school project about volcanoes. You may choose one from the following:
 - 1) Make a 3D model of a volcano using junk materials from home. Can you label the different parts?
 - 2) Use the computer or visit a library to gather information about volcanoes from around the world. Then, create a fact file about a famous volcano.
 - 3) Write a newspaper report or record a news article about a volcanic eruption. What would it be like?

The deadline for this activity is 12.10.2026.

Optional Elements

- Complete additional activities from above.
- I would like to recommend the CGP books:
