Speaking and Listening Project What's life like in the Alps?

Choose and complete at least one of the projects listed below:

Map the Alps

Create a map showing where the Alps are in Europe. Label the eight countries that the Alps stretch across and add some important cities, mountains or landmarks.

Build a Mountain

Create a 3D model of an Alpine mountain using materials of your choice. Add labels to show important physical features.

Alpine Weather Watch

Choose a place in the Alps and investigate its weather. Record the weather over several days and present your findings creatively. How does it compare with the weather where we live?

Alps in a Box

Create the Alps inside a shoebox or other small container! Include the mountain landscape and add human and physical geographical features. Label your creation so we can see what you have included.

Alpine Wildlife Explorer

Choose an animal or plant found in the Alps and create a fact file about it. Explain how it is suited to living in a mountainous environment.

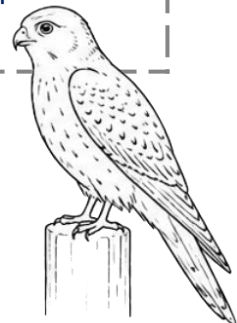

Taste of the Alps

Research a traditional food or dish from an Alpine region. Create a recipe card explaining where it comes from. You could even make it at home and include a photograph!
