Cleobury Mortimer Primary School: Rabbit Class

Enjoying and Achieving Together

Links to our Curriculum Drivers

Integrity – The children will be thinking about kindness as we explore families and relationships in RSE.

Commitment – The children will perform for the first time in the KS2 Christmas Performance.

Ambition – The children will contribute to the School Christmas Market.

British Value

Tolerance of Different Faiths and Beliefs

Enrichment

Cross Country

Children in Need

Shrewsbury Museum and Art Gallery Trip

Enterprise Week and Christmas Market

KS2 Christmas Performance

Autumn 2 – Would you prefer to live in the Stone Age, Iron Age or the Bronze Age?

Curriculum

Subject Intent

As Writers, we will write to entertain, inform and persuade using the Stone, Bronze and Iron Ages as stimulus.

As Readers, we will enjoy The Stone Age Boy by Satoshi Kitamura and Overheard on a Saltmarsh by Harold Monro.

As Mathematicians, we will learn our 2-, 4-, and 8-times tables and the relationship between them. Additionally, we will begin to touch on measurement (including, length, mass, volume/capacity, money, and time).

As Scientists, we will learn about and investigate rocks and soils.

As Historians, we will study the Stone, Bronze and Iron Ages.

As Engineers, we will make wearable technology.

As Musicians, we will continue learning to play a musical instrument with Mrs. Giles from the Shropshire Music Service.

In PE, we will play football and enjoy a dance unit based on wild animals.

In RE, we will learn about the creation story and investigate what it is like for someone to follow God (Christianity).

In French, we will learn about different greetings.

In PSHE / RSE, we will explore families and relationships.
