Christmas Fayre

The Annual Christmas Fayre will take place on Friday 6th December from 4.00 until 6.00. Please come along and join us for a festive evening. Father Christmas will be here in his grotto and I know that this is always a really popular part of the evening. There will be hot food, cakes and lots of stalls. It is a great opportunity to meet with lots of members of the school and local community.

On Friday 6th December we will be wearing our Christmas jumpers and in exchange we are asking the children to bring in a contribution for either the chocolate tombola, bottle tombola or the cake stall. Anyone who would like to volunteer as a helper, please let the office know and we can pass on your details to the Friends.

Christmas Dinner

Christmas Dinner will be on Wednesday 18th December this year. On that day, we will also wear our Christmas jumpers as part of the celebration - we need to get our wear out of them!!! No need for any financial or other contributions on that day.

This week.....

It was really nice to see so many of you in school this week for Parents/Carers' Evening. Please remember that you are able to make an appointment to discuss your child's progress at any time during the school year. Those parents and carers who could not attend will be contacted by staff with an alternative appointment. It is really important that you make the time to come and see, or at least speak to, your child's teacher so that we can share and celebrate their successes, as well as discussing ways to help children make even more progress.

• Art

- As part of our school development plan we are going to focus on the development of Art across the school this year. I just wondered if there are any members of the wider school community who would have any skills they would be willing to share which would help us to enhance this area of our work.

Thank you

Thank you to all the children who took part in Type 1 Diabetes Awareness on the 15th November 2019. The children took pride in wearing their sporting/hobby clothing in order to help children with Type 1 diabetes. The school community raised a fantastic total of £213.00 which is going to the Worcestershire Paediatric Diabetes Team (charity). Kidderminster Harriers have taken a special interest in the schools partnership with Joshua Perkins (who plays for them) and his family and they are supporting all of our efforts by publicising the event on their social media site. Thank you to Joshua and his family for highlighting this great cause which we feel proud to have helped support.
